Building Liberty City's Future: Block-by-Block

In preparation for getting more than 250 children from MCi's Impact Zone ready for the 2015-2016 school year, Chief Charles R. Press, the Key Biscayne Community Foundation and Miami Children's Initiative (MCi) are hosting the 3rd Annual "Christmas in July" event.

Holding to its name as the Village of Empathy, Key Biscayne has joined forces with Liberty City to become sister cities. Through this partnership, both communities strive to grow and learn from each other. And to build and educate a population of youth who are empathetic and desire to make a positive impact locally and globally.

To RSVP or for more information, please contact Shownda Pagan at (786) 873-2303 or spagan@miamichildrensinitative.org

Contributions to support "Christmas in July"

Miami Children's Initiative was initially established through the generous financial support of House Department of Children and Families. These negotiations led to the state of Florida designating Miami Children's Initiative as the State's 21st 404,245 Liberty City on Miami Children's Initiative, Renaissance Schools, Renaissance Risk Zone, and New Towns in Jacksonville (New Town Success Zone).
